

CODE BREAKER WORKSHEET

PAGE 1

Good Morning Secret Agents,

Today you will  the most difficult task you have ever been given. You will need to first get into the

waiting outside your house. Go to the nearest 

by your house and sit at table number 1. When the waitress comes

to your table, tell her that you would like to order 1 

and  soup

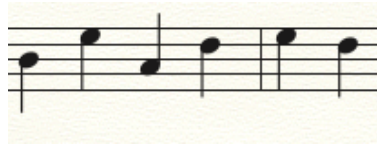

Ask her to put a slice of on a separate

plate and bring it out 4 minutes later. This is where you must

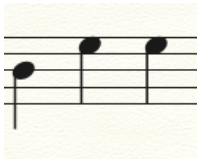

very careful. A woman will approach you

wearing a

necklace. She will look safe enough but could sting you like

a

so you must be careful.

When she sits down at your table, ask her the secret password

which is, "How is your

?" She will

then hand you a piece of paper which is the

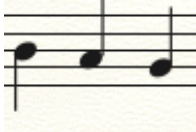

to the house where you must go next. Leave the waitress a

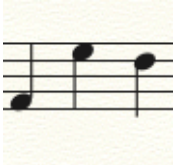

nice tip and get up and leave.

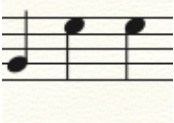

Get back into the  and drive to the house

that looks like the farm where  the pig

lived. Go up to the door and say "I have the 

that I was supposed to bring. The person at the door will ask

you if you have been  yet? You must say,

"Yes, but  , I would love

a glass of water." The person will let you in and there you

will receive your next clue. From the next room you hear some

noise. When you ask what is going on in the room, the man

will tell you that he and his friends are playing cards. You will

ask if you can play too. The man will walk you into the room

and you will sit down at the table. All the other people at the

table suddenly stop talking

and stare into your

You are not sure

if you are in danger or not, but you act very cool and ask for a

card. The dealer hands you the card and it is an

Everyone at the table gasps in fear and says "That is a

Luck card" and they all run out of the room leaving you with

just the Farmer. The Farmer then says "I have to leave because

it is time to the

the chickens"

to black.

When we last left our secret agent, he was at the farmhouse with the farmer that was about to feed the chickens.

You must follow the farmer outside to the barnyard. There you

will find a  in the barnyard. You

will see an animal and it will look  but

it is just pretending. When you go to move closer you hear the animal whisper, “hey, can you help me out of here? The

Farmer will say “Don’t get too close because he’ll bite your

Just then the  pulls up into the barnyard and the

driver yells to you, “quick get in”. You must get in and go to

the next destination. As you drive along you look out the

window and realize that you don’t recognize anything you see.

The  stops and you get out.

You will not have any idea of where you are. Keep walking until

you see the man wearing a  He

will be able to help you find your next clue.

As you walk along the dark street you notice that some kids are

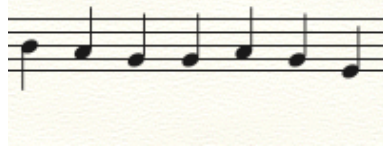

doing the  with their arms and hands.

You will think that this is very weird but keep walking. The man

with the  will say goodbye

and you will be in front of the Recording Studio.

There you will see Chance the Rapper and his 8 backup singers ready to get on the bus for tour. You look at Chance

and you notice that there is

waiting to be loaded on the bus. Find the that

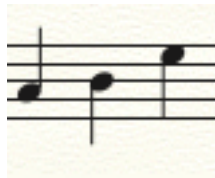

has the green and red circles on it and walk away with it without letting Chance or any of his backup singers see you.

Now open the and you will find a picture

of someone that looks familiar. He is dressed in a long black coat, a tall top hat and has a beard.

It is a picture of none other than the 16th President of the United

States,

On the back of the picture are your next instructions.

You have to go to the next corner with your

and open it up and set it on the ground. People will put some

money in the  because they think you

want to  for money.

CHAPTER 2

You will sing a couple of Drake songs and then take all the money you have in the bag and put it in tip jar you left on the sidewalk.

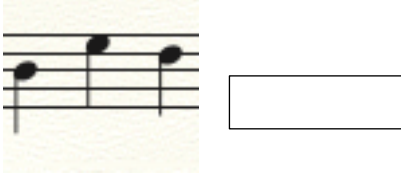

Next, walk to the nearest store and buy the latest 

of Billie Eilish singing songs about Power. You will listen for

clues on the  and realize that on the last song

there is  clue. It was an  for the

Post Malone Concert. You think that maybe you should go to the concert, but you are very tired and want to go home to go

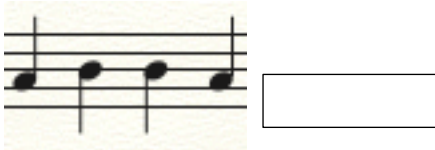

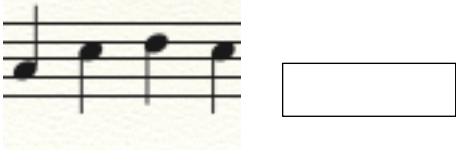

to 

DON'T GIVE UP!

CHAPTER 3

Go to the concert and pay the  to get in,

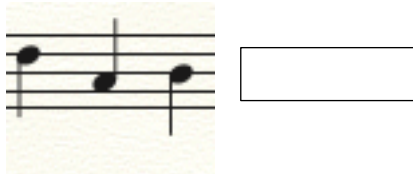

but keep your eyes open. The opening act for Billie Eilish had 2

bands named  and 

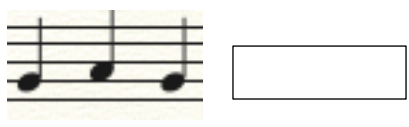

All of a sudden, the curtains open and next act comes out, but

it is not Billie Eilish, it is actually Lady 

When you look around you will see lots of people doing the

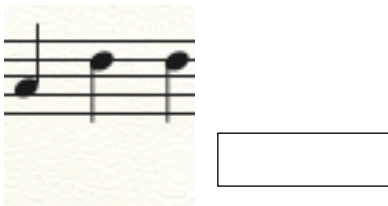

You will think that this is a big waste of time, but then see a 50-foot sign above the stage that says 66 AD.

At first you think that someone is playing a 

on you, but then you will have this great idea.

You think to yourself is this another clue or just a reminder of

how  2020 really was. Then you realize

that if you  6 and 6 up it

equals 12. Be careful because the evil Dr. Nothing will be looking for you. Go to door number 12 and

get back in the 

You think to yourself that you have just

that last clue then you look at the driver and you notice that is

secret agent number 5 your old partner

She turns around and says to you "I guess I have to get you out of

another

situation, again don't I?"

You will tell her how glad you are to see her.

CHAPTER 4

Tell her to drive you to the local TV station, the

and get to the news anchors before they go on the air. You

may have to

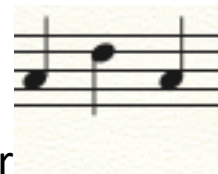

them not to start the

show until you can tell them your story.

Tell them how your

and partner

Saved you at the last minute from the Evil Dr. Nothing.

You must convince the news anchors that the Evil Dr. Nothing

was trying to put an end to  , but you found a flaw in his plan.

You tell them that you hid his plans in a 
under the stage of the Billie Eilish concert where no one will ever find it.

The TV anchor named  will tell

you that you have the gift of  and you need to get to the point.

You tell him that if you can get to the 

to approve the new vaccine that the world needs, it will save the world, and everyone will be able to get back to normal and see their friends and families again.

seems to be distracted by his

phone. Ask him what he is doing, and you will notice that he is

sending a text message to his friend

In the text

it says.

please tell everyone on

that the vaccine is ready to go and they should watch the

to find out where to get it. You

point out to

that

was

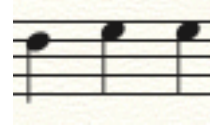

a

and Twitter was a better way to get

information out, but.

says “no way, TIC TOC is the best way. Then

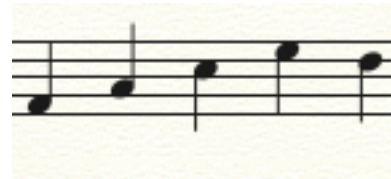

the producer of the news show says “Who cares!! let’s just get the information on the air so we can save the world and get rid of Evil Dr. Nothing.”

It was beginning to

up why you were given

this task of saving the world. You had

many different challenges during the mission but realized it had

felt like a

for 2020 to

be over. It will all start to

up for you.

As you walked out of the TV station, you will take

to Starbucks to get a

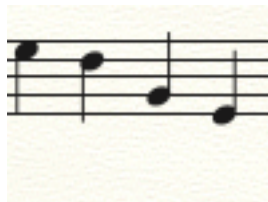

Coffee before heading home. As you are walking back to her

, you look sad because you notice that

someone has

the

of Clinton Elementary School

with paint and toilet paper. As you pull up to your house you

thank

for helping you out

and you crawl into your

for a long and

well-deserved rest.

CHAPTER 5

When you wake up the next morning you will feel like you have

25 years, but realize that your

is the same and it was all just a weird

dream.
